To
The Chairman cum Managing Director,
TANGEDCO, TNEB LTD,
144 – Anna Salai, Chennai-600002.

Lr.No.GS / TNEBE Union / F – Rep / D 40 / 2019 dt. 01.11.2019

Sir,

Sub: Pension – Submission of Life Certificate – Introduction of Digital Life Certificate in Central Government – Jeevan Pramaan Digital App – Adoption in TANGEDCO – Representation submitted – Reg.

The pension is being paid to the TANGEDCO pensioners on the authentication of the Life Certificate produced by the pensioners. The Life Certificate has to be submitted by the surviving pensioners every year between the months of April to June in person either in the pension payment Bank or in the head quarter office.

It is felt that the existing method of submitting Life Certificate often becomes a major hardship and unnecessary inconvenience particularly to the aged and infirm pensioners who cannot in a position to present themselves in front of the particular authority. In addition some pensioners may choose their retirement life in different location according to the conditions prevailing. In such a case they have to move to the particular place to secure their life Certificate.

Unfortunately, in the previous month, the pension was not sanctioned to more than 8000 pensioners in TANGEDCO because of not submitting the Life Certificate in time and also because of not forwarding the Life Certificates by some of the Bank officials to the TANGEDCO.

We came to understand that Central government has introduced a new method for submitting the Life Certificate by the pensioners in digital form. It introduces a digital application called “Jeevan pramaan app” in which the pensioners can upload their fingerprint or the Iris. The above application uses the Aadhaar platform for on-line biometric authentication of the pensioners. A This method is seems to be a simple and hassle free to the pensioners particularly to the aged pensioners.

We request our Chairman cum Managing Director to consider the possibility of adopting the above system in our organization also to avoid the inconvenience to the pensioners please.

Thanking you sir,

Yours Sincerely,

(R.GOVINDHARAJAN)
General Secretary
