2.0) Already it was instructed in the reference (4) cited above that to ascertain the actual assessment, the assessors shall have to upload the assessment details in the LT billing software on the same day of assessment/next day. This has to be monitored by the Section officers/ATOs then and there.

3.0) In this regard, the above Non- Assessed Services' report has been downloaded in the LT Software on 08.10.2020 and it is found that there are many service connections that has remained un-assessed for the bill months 08/2020 & 09/2020.

4.0) The SE/EDCs are requested to arrange to instruct the officials concerned to take assessment in time and uploaded in the software to ensure 100% assessment.
